Friends of the Library
(FOL)

by Anne Lee

Members of the Benjamin Branch Friends of the Library have decided to take July as a vacation month. Therefore, there will be no meeting until Monday, August 25th at 1:00 P.M. in the Community Room.

In the meantime, we are supporting summer activities for young people (for dates and times see the article by Librarian Linda Moskovics, organizing for the Fall Book Sale scheduled for October 18th, and enjoying all that our library has to offer. For those residents without air conditioning, keep in mind that our library is designated as a COOL ZONE. Just check for open hours.

The annual meeting of the FSDPL will be held Sept.13, 2008, at the Point Loma Library. For more details, call Shelia Padgett at (619) 287-2682.

As you are keeping COOL and perhaps enjoying a slower pace, check to see if you have some gently-used books suitable for the Book Sale. Simply bring the books to the library, and when you indicate it is a donation you will receive a receipt for tax purposes. We do not have much room for storage, so we cannot accept National Geographics, magazines or out-of-date text books or very old books.
