Making our Community a Better Place

Mission Trails Church would like to honor and thank the San Diego Fire Department Station 31 for their great service to our community. The men and women of the Del Cerro Fire Station are true heroes and role models for our children.

On June 8, Mission Trails Church held their very first monthly worship service at the Allied Gardens Community Center Gym. As a part of the children's service, the Fire Department demonstrated their fire truck and equipment to all the children. The children's program at Mission Trails Church is called *Adventure Kids*. *Adventure Kids* is designed for kids who are Pre-K through 5th Grade. The kids learn about God - outdoors, in nature, at the park while their parents worship together indoors at the Gym.

Mission Trails Church is a brand new church in Allied Gardens. One of their core values is to make a difference in our community by looking for ways to serve people and partner with organizations that are already making a difference in people's lives. If you know of ways that Mission Trails Church could help make our community a better place for our children, families, singles and senior adults, please contact them and share your ideas and needs. You can learn about the up-coming monthly worship services (July 13 & Aug. 10) and the Grand Opening (Sept. 7) of Mission Trails Church online at www.MissionTrailsChurch.com
